Directors' report

for the financial year ended 31 December 2019

The Directors present their Annual report together with the audited financial statements for the financial year ended 31 December 2019.

Principal activities

European Rail Finance (2) Limited (the "Company") continues to own all of the ordinary share capital of European Rail Finance Limited. The Company forms part of the Eversholt UK Rails Group ("Group") more fully described in note 14.

Business review

In the financial year the Company generated a result of £nil (2018 loss: £3,009,000). As at 31 December 2019 the Company had net assets of £2,292,000 (2018: £2,292,000).

The Company is funded by borrowings from another group undertaking and equity from its immediate parent.

The Company has no employees (2018: nil). Directors have been remunerated by another group undertaking, Eversholt Rail Limited.

Risk management

The Company is subject to the risk management objectives and policies of the Group. The risks relevant to the Company, together with an analysis of the exposure to such risks, are set out in note 13 of the financial statements.

The principal business risk for the Company is the risk of diminution in the value of the investment in European Rail Finance Limited.

COVID-19

The Directors have considered the potential impacts of COVID-19 upon the Company and its ability to meet commitments in the foreseeable future. The Company is exposed to the impacts of COVID-19 through its relationships with fellow group undertakings, which are ultimately dependent on the viability of the Group's rolling stock leasing business. One area of potential impact upon the Group's business is a threat to the viability of train operators due to long term passenger volume decline. This is largely mitigated in the short term by the UK Government's Emergency Management Arrangements, through which support is provided to franchised passenger service operators for a period of six months. At this stage, it is anticipated that demand for rail services in the UK will revert to historical levels once effective management of the disease is established. The Group's current rolling stock procurement, maintenance and enhancement plans may be subject to delays caused by COVID-19, however this is not considered material in the context of the business.

In common with UK businesses generally, the Group's business is also exposed to other risks including access to capital markets, impacts on supply chains, employee health and access to the workplace. The Group has introduced governance processes to closely monitor the impacts and where possible, mitigation has been put in place to limit the impact on the Group. The Group has access to undrawn borrowing facilities which could be utilised in the event of a prolonged severe period of disruption.

At this stage, the Directors do not believe that there are any material impacts on the Company, nor changes to risk management as described in note 13. The Directors consider the key critical judgement in reaching this conclusion to be the duration of restrictions on travel in response to COVID-19 and the UK Government's continued support to the rail industry. This conclusion reflects the nature of the Company's (and its subsidiary's) activities and the way in which cash is managed across the Group, enabling the Company to borrow funds from another group undertaking to meet any shortfall. Nevertheless, the Directors continue to keep the position under review, monitoring events and possible outcomes, as the full impact of COVID-19 emerges.

Financial performance

The Company's results for the financial year are as detailed in the Income statement on page 9.

The Group manages its operations on a consolidated basis, therefore the Company's Directors believe that further specific performance measures for the Company are not necessary or appropriate for an understanding of its performance. Performance measures for the Group are disclosed in the accounts of Eversholt UK Rails Limited.

Directors' report (continued)

for the financial year ended 31 December 2019

Business environment

The Directors monitor the business environment in which the Company's subsidiary operates from a group perspective and details of relevant matters, including the withdrawal of the United Kingdom from the European Union and climate change, are disclosed in the financial statements of Eversholt UK Rails Limited.

Political donations

No political donations were made during the financial year (2018: £nil).

Directors

The Directors who served at any time during the financial year and up to the date of signing were as follows:

Name

M B Kenny

A J Course (resigned on 16 September 2019)

A J Wesson

The Articles of Association of the Company provide that in certain circumstances the Directors are entitled to be indemnified out of the assets of the Company against claims from third parties in respect of certain liabilities arising in connection with the performance of their functions. Indemnity provisions of this nature have been in place during the financial year but have not been utilised by the Directors. The Directors have no interests in the share capital of the Company.

Future developments

The outbreak of COVID-19 is a very significant humanitarian and economic event facing many businesses. It has become clear that this will result in a significant economic slowdown, if not recession, in the months ahead. In this period of huge uncertainty, it is very difficult to make forward looking statements or predictions with any great certainty. However, we believe that the impact of COVID-19 will be a temporary disruption and will ultimately pass. In the meantime, we have stress tested our business model to understand what the impact would be, as discussed in the Going Concern statements in this annual report.

It is currently anticipated that the Company will be voluntarily liquidated in 2020 on a date yet to be determined as part of the ongoing simplification of the Group structure.

Dividends

During the financial year the Directors declared and paid dividends of £nil (2018: £456,500,000).

Going concern basis

The Directors consider the results for the financial year and the year end position of the Company to be satisfactory. As part of the ongoing simplification of the Group structure it is anticipated that the Company will be voluntarily liquidated in 2020. The Company therefore ceases to be a going concern. As such, the financial statements have been prepared on a basis other than that of a going concern as required by IAS 1 "Presentation of Financial Statements".

The carrying value of the assets and liabilities held by the Company have been reassessed and recorded at their realisable value.

In making this assessment, the Directors have considered a wide range of information relating to present and future conditions, including the potential impact of COVID-19 upon the business described above.

Disclosure of information to the auditor

Each person who is a director at the date of approval of this Annual report confirms that so far as the Director is aware, there is no relevant audit information of which the Company's auditor is unaware and the Director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Directors' report (continued)

for the financial year ended 31 December 2019

Accounting records

The Directors believe that they have complied with the requirements of Sections 281 to 285 of the Companies Act 2014 with regard to books of account by employing a service provider, which has appropriate expertise and provides adequate resources to the financial function. The accounting records of the Company are maintained primarily by Eversholt Rail Limited, 210 Pentonville Road, London N1 9JY and held by European Rail Finance (2) Limited, Riverside One, Sir John Rogerson's Quay, Dublin 2, D02 X576, Ireland.

The Directors acknowledge that they are responsible for securing the Company's compliance with relevant obligations.

Auditor

Pursuant to Section 383(2) of the Companies Act 2014, the Auditor will be deemed to be reappointed and Deloitte LLP will therefore continue in office.

27 April 2020

Statement of Directors' responsibilities

for the financial year ended 31 December 2019

The Directors are responsible for preparing the Annual report and financial statements in accordance with the Companies Act 2014.

Irish company law requires the Directors to prepare financial statements for each financial year. Under the law, the Directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards ("IFRSs") as adopted by the European Union ("relevant financial reporting framework"). Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the Company as at the financial year end date and of the profit or loss of the Company for the financial year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the Directors are required to:

- select suitable accounting policies for the Company Financial Statements and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with the applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for ensuring that the Company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the Company, enable at any time the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' report comply with the Companies Act 2014 and enable the financial statements to be audited.

They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions. The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website.

These financial statements have been approved by the Board of Directors on 27 April 2020 and were signed on its behalf by:

M B Kenny
Director

Independent Auditor's report to the Members of European Rail Finance (2) Limited
for the financial year ended 31 December 2019

Report on the audit of the financial statements

Opinion on the financial statements of European Rail Finance (2) Limited (the "Company")

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Company as at 31 December 2019 and of the result of the Company for the financial year then ended; and
- have been properly prepared in accordance with the relevant financial reporting framework and, in particular, with the requirements of the Companies Act 2014.

The financial statements we have audited comprise:

- the Income statement;
- the Statement of comprehensive income;
- the Statement of financial position;
- the Statement of cash flows;
- the Statement of changes in equity; and
- the related notes 1 to 16 including a summary of significant accounting policies as set out in note 3.

The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and IFRSs as adopted by the European Union ("the relevant financial reporting framework").

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) ("ISAs (Ireland)") and applicable law. Our responsibilities under those standards are described below in the "*Auditor's responsibilities for the audit of the financial statements*" section of our report.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Accounting and Auditing Supervisory Authority, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter – Financial statements prepared other than on a going concern basis

We draw attention to note 2.3 in the financial statements, which indicates that the financial statements have been prepared on a basis other than that of a going concern. Our opinion is not modified in respect of this matter.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent Auditor's report to the Members of European Rail Finance (2) Limited (continued)

for the financial year ended 31 December 2019

Responsibilities of directors

As explained more fully in the Statement of Directors' responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Company (or where relevant, the Group) to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that the auditor identifies during the audit.

**Independent Auditor's report to the Members of European Rail Finance (2) Limited
(continued)**

for the financial year ended 31 December 2019

Auditor's responsibilities for the audit of the financial statements (continued)

This report is made solely to the Company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Report on other legal and regulatory requirements

Opinion on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the Directors' report is consistent with the financial statements and the Directors' report has been prepared in accordance with the Companies Act 2014.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report.

We have nothing to report in respect of the provisions in the Companies Act 2014 which require us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by law are not made.

Notes to the annual financial statements

for the financial year ended 31 December 2019

1. General Information

European Rail Finance (2) Limited, is a private company incorporated in the Republic of Ireland under the Companies Act 2014 and is limited by shares (see note 11). The registered office of the Company is Riverside One, Sir John Rogerson's Quay, Dublin 2, D02 X576.

The place of central management and control of the Company is based in the UK, where the Company is tax resident.

2. Basis of Preparation

These financial statements are presented in sterling being the Company's functional currency. All amounts have been rounded to the nearest thousand, unless otherwise indicated.

The Company is exempt from the requirement to prepare consolidated financial statements by section 293 of the Companies Act 2014. These financial statements present information about the Company as an individual undertaking.

2.1 Compliance with IFRSs

The financial statements of the Company have been prepared on the historical cost basis. These financial statements have been prepared in accordance with IFRSs as issued by the International Accounting Standards Board ("IASB") and as endorsed by the European Union ("EU"). EU-endorsed IFRSs may differ from IFRSs as issued by the IASB if, at this point in time, new or amended IFRSs have not been endorsed by the EU. At 31 December 2019, there were no unendorsed standards effective for the financial year ended 31 December 2019 affecting these financial statements, and there was no difference between IFRSs endorsed by the EU and IFRSs issued by the IASB in terms of their application to the Company. Accordingly, the financial statements of the Company for the financial year ended 31 December 2019 are prepared in accordance with IFRSs as issued by the IASB and endorsed by the EU.

IFRSs comprise accounting standards issued by the IASB and its predecessor body as well as interpretations issued by the IFRS Interpretations Committee and its predecessor body.

2.2 Standards and Interpretations issued by the IASB

During the financial year, the Company adopted the following interpretations and amendments to standards which had no material effect on the financial statements:

- Amendments to IAS 19: Plan Amendment, Curtailment or Settlement;
- Amendments to IAS 28: Long-term Interests in Associates and Joint Ventures;
- IFRIC 23 Uncertainty over Income Tax Treatments;
- Amendments to IFRS 9: Prepayment Features with Negative Compensation;
- Annual Improvements to IFRS Standards 2015-2017 Cycle; and
- IFRS 16 Leases.

At 31 December 2019, a number of standards and amendments to standards have been issued by the IASB, which are not effective for the Company's financial statements as at 31 December 2019. The following adopted IFRSs have been issued but have not been applied by the Company in these financial statements. They are applicable for periods beginning on or after 1 January 2020 and are not anticipated to have a material impact on the financial statements:

- Amendments to IFRS 3 Business Combinations;
- Amendments to IFRS 9, IAS 39 and IFRS 7: Interest Rate Benchmark Reform;
- Amendments to IAS 1 and IAS 8: Definition of Material; and
- Amendments to References to the Conceptual Framework in IFRS Standards.

2.3 Going concern

The Company's business activities, together with the factors likely to affect its future development, performance and position as well as the financial position of the Company, its cash flows, liquidity position and the borrowing facilities, are described in the Directors' Report.

Notes to the annual financial statements (continued)

for the financial year ended 31 December 2019

2. Basis of Preparation (continued)

2.3 Going concern (continued)

In addition, note 13 to the financial statements includes the Company's objectives, policies and processes for managing its capital; its financial risk management objectives; details of its financial instruments; and its exposures to credit risk and liquidity risk.

These financial statements have been prepared on a going concern basis which presumes that the Company has adequate resources to remain in operation and that the Directors intend it to do so for at least one year from the date of the financial statements are signed. The Company is part of a larger group and participates in the Group's centralised treasury arrangements and so shares banking arrangements with its parent and fellow subsidiaries. The Company is expected to continue to be in a position to obtain finance via intercompany loans to operate for the foreseeable future. In completing this analysis the Directors have considered the commitment and ability of the Group to continue provide such finance.

Notwithstanding the extraordinary circumstances brought about by the COVID-19 crisis, the Directors are satisfied at this stage that the Company and Group's forecasts and projections, taking into account reasonable possible changes in trading performance and other uncertainties, together with the Group's cash position and access to the revolving credit facility show that the Company and Group are able to operate within its current facilities for the foreseeable future. However, given the recent COVID-19 pandemic, which has seen widespread humanitarian and economic disruption across the globe, a degree of operational disruption has inevitably been experienced across the Group and alternative working practices have been introduced in mitigation.

COVID-19 will cause widespread economic disruption but its impact should be temporary. The Group has reasonable diversity within its revenue streams and is supported by the UK Government's Emergency Management Arrangements which guarantee funds to its customers, the Train Operating Companies, which underpin the Group's revenues for the period to September 2020. Notwithstanding this, the Directors have materially increased their stress testing to assess the impact that a realistic worse case COVID-19 downside scenario would have. Under this realistic worse case, the Group would remain within borrowing covenants and continue to be able provide financing to its subsidiaries including the Company. The loss of revenue should not impact on the Group's longer-term prospects once business returns to normal. For this reason, the Directors have concluded that it is appropriate to prepare the financial statements on a going concern basis. As part of the ongoing simplification of the Group structure it is anticipated that the Company will be voluntarily liquidated in 2020. The Company therefore ceases to be a going concern. As such the financial statements have been prepared on a basis other than that of a going concern as required by IAS 1 "Presentation of Financial Statements".

3. Summary of significant accounting policies

The principal accounting policies adopted are set out below and have been applied consistently to all years presented in these financial statements, except where noted in relation to standards implemented for the first time in 2019.

3.1 Finance expense

Finance expense for all interest bearing non-derivative financial instruments is recognised in "Finance expense" in the Income statement using the effective interest rate method. The effective interest rate method is a way of calculating the amortised cost of a financial asset or a financial liability and of allocating the interest income or expense over the relevant financial years.

The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount of the financial asset or financial liability on initial recognition. When calculating the effective interest rate, the Company estimates cash flows considering all contractual terms of the financial instrument but excluding future credit losses.

The calculation includes all amounts paid or received by the Company that are an integral part of the effective interest rate of a financial instrument, including transaction costs and all other premiums or discounts.

Finance expense also includes interest payable in relation to derivative instruments.

Notes to the annual financial statements (continued)

for the financial year ended 31 December 2019

3. Summary of significant accounting policies (continued)

3.2 Income tax

Income tax comprises current tax and is recognised in the Income statement.

Current tax is the tax expected to be payable on the taxable loss for the financial year, calculated using tax rates enacted or substantively enacted by the end of the financial year and any adjustment to tax payable in respect of previous financial years. Current tax assets and liabilities are offset when the Company intends to settle on a net basis and the legal right to offset exists.

3.3 Foreign currencies

Transactions in foreign currencies are recorded in the functional currency at the rate of exchange prevailing on the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the rate of exchange ruling at the end of the financial year. Any resulting exchange differences are included in the Income statement.

Non-monetary assets and liabilities that are measured at historical cost in a foreign currency are translated into the functional currency using the rate of exchange at the date of the initial transaction. Non-monetary assets and liabilities measured at fair value in a foreign currency are translated into the functional currency using the rate of exchange at the date the fair value was determined.

3.4 Dividend income

Dividend income from investments is recognised when the right to receive payment is established.

3.5 Subsidiaries

The Company classifies investments in entities which it controls as subsidiaries. The Company's investments in subsidiaries are stated at cost being the fair value at acquisition date less any impairment losses. Any impairment loss recognised in prior years shall be reversed through the Income statement if, and only if, there has been a change in the estimates used to determine the recoverable amount of the investment in the subsidiary since the last impairment loss was recognised.

3.6 Financial instruments

Financial assets and liabilities are recognised in the Company's Statement of financial position when the Company becomes a party to the contractual provisions of the instrument.

Classification and measurement

Financial assets are classified and measured by reference to the business model in which assets are managed and their cash flow characteristics.

The Company holds the following class of financial instruments:

Financial liabilities

Financial liabilities are initially measured at fair value less any transaction costs that are directly attributable to the purchase or issue. Subsequent to initial recognition, financial liabilities are measured at amortised cost using the effective interest rate method. The Company derecognises the financial liability when the obligations specified in the contract expire, are discharged or cancelled.

Determination of fair value

All financial instruments are recognised initially at fair value. In the normal course of business, the fair value of a financial instrument on initial recognition is the transaction price (that is, the fair value of the consideration paid or received).

Subsequent to initial recognition, the fair values of financial instruments measured at fair value that are quoted in active markets are based on bid prices for assets held and offer prices for liabilities issued. When independent prices are not available, fair values are determined by using valuation techniques which refer to observable market data. These include comparison to similar instruments where market observable prices exist, discounted cash flow analysis and other valuation techniques commonly used by market participants.

Notes to the annual financial statements (continued)

for the financial year ended 31 December 2019

3. Summary of significant accounting policies (continued)

3.6 Financial instruments (continued)

Where relevant, fair values are calculated by discounting future cash flows on financial instruments, using equivalent current interest rates.

3.7 Statement of cash flows

The Statement of cash flows has been prepared on the basis that, with the exception of tax related transactions which are classified under 'Operating activities', movements in intercompany balances are shown under the heading of 'Financing activities'. Such movements arise ultimately from the Company's financing activities, through which the Company will acquire resources intended to generate future income and cash flows.

3.8 Share capital

Shares are classified as equity when there is no contractual obligation to transfer cash or other financial assets.

Dividends payable in relation to equity shares are recognised as a liability in the financial year in which they are declared.

3.9 Use of judgements, estimates and assumptions

In the application of the Company's accounting policies, management are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from those estimates.

There are no accounting policies that are deemed critical to the Company's results and financial position, in terms of materiality of the items to which the policy is applied, which involve a high degree of judgement and estimation. There are no sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

4. Dividends

During the financial year the Company paid dividends of £nil to European Rail Finance Holdings Limited (2018: £456,500,000).

5. Finance expense

	2019 £'000	2018 £'000
Interest payable to Eversholt Rail Limited	-	(3,681)

Finance expense represents interest charged in relation to financial liabilities carried at amortised cost.

6. Administrative expense

Administrative expense includes the following:

	2019 £'000	2018 £'000
Fees payable to the Company's auditor for the audit of the Company's annual financial statements	-	(6)

In 2019 audit fees of £6,000 were borne by another group entity.

The Company has no employees and hence no staff costs (2018: nil).

Notes to the annual financial statements (continued)

for the financial year ended 31 December 2019

6. Administrative expense (continued)

The Directors have been paid by another group undertaking, Eversholt Rail Limited. No specific charge has been made to the Company in this regard, therefore, the Directors' remuneration is £nil (2018: £nil) and all disclosures relating to sections 305 and 306 of Companies Act 2014 are £nil (2018: £nil).

7. Income tax credit

	2019 £'000	2018 £'000
Current tax		
Income tax credit	-	679

The UK corporation tax rate for the year ended 31 December 2019 and 31 December 2018 was 19%.

The following table reconciles the tax credit which would apply if results had been taxed at the UK corporation tax rate:

	2019 £'000	2018 £'000
Loss before tax	-	3,688
Taxation at corporation tax rate of 19% (2018:19%)	-	701
Prior financial year adjustment	-	(22)
Income tax credit	-	679

8. Investment in subsidiary

	2019 £'000	2018 £'000
Cost at 31 December	22,195	22,195

The subsidiary undertaking of the Company at the end of the financial year was:

Name of Undertaking	Class of Capital	Country of Incorporation	Type of business	Ownership	Percentage
				2019	2018
European Rail Finance Limited	Ordinary Shares	Ireland*	Leasing	100%	100%

* Registered office: Riverside One, Sir John Rogerson's Quay, Dublin 2, D02 X576, Ireland

The Company has no indirect subsidiaries.

9. Borrowings

	2019 £'000	2018 £'000
Current		
Eversholt Rail Limited	19,902	21,166

Notes to the annual financial statements (continued)

for the financial year ended 31 December 2019

9. Borrowings (continued)

The intercompany loan from Eversholt Rail Limited is repayable by 4 November 2023. Borrowing entities may prepay and redraw loans until the repayment date. With effect from 1 January 2019, the borrowings carry no charge for interest. In 2018, interest rate on the borrowings was payable monthly at a floating rate, which substantially matched the rate of the Group's senior debt, plus margin.

The intercompany loan with Eversholt Rail Limited is presented as a current liability as it is anticipated that the Company will be voluntarily liquidated in 2020.

10. Reconciliation of liabilities arising from financing activities

31 December 2019	As at 31 December 2018 £'000	Non-cash finance expense £'000	Cash flows payments £'000	As at 31 December 2019 £'000
Financing activities attributable to:				
Liabilities				
Borrowings	21,166	-	(1,264)	19,902

31 December 2018	As at 31 December 2017 £'000	Non-cash finance expense £'000	Cash flows payments £'000	As at 31 December 2018 £'000
Financing activities attributable to:				
Liabilities				
Borrowings	51,003	3,681	(33,518)	21,166

11. Share capital

	2019 £'000	2018 £'000
Authorised		
100,000,000 ordinary shares of £1 each	100,000	100,000
Issued, allotted, called up and fully paid		
1 Ordinary share of £1	1	1

The holder of the ordinary share is entitled to attend and vote at annual general meetings and receive dividends as and when declared.

12. Fair value of financial assets and liabilities

There are no material differences between the carrying value and the fair value of financial assets and liabilities as at 31 December 2019 and 31 December 2018.

13. Risk management

The Company is exposed to the risk of diminution in the value of the investment in its subsidiary. The Company also has exposure to the following types of risk arising from its use of financial instruments: capital risk, liquidity risk and market risk. Market risk includes foreign exchange risk and interest rate risk.

Notes to the annual financial statements (continued)

for the financial year ended 31 December 2019

13. Risk management (continued)

Sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are disclosed in note 3.9.

The management of all risks which are significant, together with the quantitative disclosures not already included elsewhere in the financial statements, is described in this note.

Capital risk management

Consideration is given to the availability, cost and risks associated with each class of capital.

The Capital structure of the Company consists principally of borrowings from another group undertaking and equity from its immediate parent.

The Company is not subject to any externally imposed capital requirements.

Liquidity risk management

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company monitors its cash flow requirements on a daily basis and compares expected cash flow obligations with expected cash flow receipts to ensure they are appropriately aligned. Cash is managed on a consolidated basis across the Group which enables the Company to borrow funds from another group undertaking to meet any shortfall. Conversely, the Company lends any surplus funds to other group undertakings. Liquidity is further under-pinned by the ability of certain group undertakings to borrow under a £600m revolving credit facility which matures on 4 November 2023 and lend proceeds to the Company.

Undiscounted cash flows payable to meet financial liabilities are analysed below by their contractual due date, including estimated interest cash flows where appropriate:

	Carrying value £'000	Contractual cash flows £'000	On demand £'000	Due within 1 Year £'000	Due between 1-5 years £'000	Due after 5 years £'000
31 December 2019						
Financial liabilities						
Amortised cost						
Trade and other payables	1	1	-	1	-	-
Borrowings	19,902	19,902	-	-	19,902	-
	<u>19,903</u>	<u>19,903</u>	-	<u>1</u>	<u>19,902</u>	-
Total financial instruments	(19,903)	(19,903)	-	(1)	(19,902)	-
	Carrying value £'000	Contractual cash flows £'000	On demand £'000	Due within 1 Year £'000	Due between 1-5 years £'000	Due after 5 years £'000
31 December 2018						
Financial liabilities						
Amortised cost						
Trade and other payables	5	5	-	5	-	-
Borrowings	21,166	21,166	-	-	21,166	-
	<u>21,171</u>	<u>21,171</u>	-	<u>5</u>	<u>21,166</u>	-
Total financial instruments	(21,171)	(21,171)	-	(5)	(21,166)	-

Undiscounted cash flows in respect of the intercompany loan with Eversholt Rail Limited include the principal amount of intercompany loans only, due to the uncertainty of intercompany movements and of interest estimation. Interest on intercompany loans is settled as part of intercompany cash movements. In the Statement of financial position, these borrowings have been presented as "Current Liabilities" on the basis that they expect to be settled in 2020; in contrast, the above table shows maturity by contractual date and the comparative table has been restated accordingly.

Notes to the annual financial statements (continued)

for the financial year ended 31 December 2019

13. Risk management (continued)

Market risk management

The Company is not exposed to foreign exchange risk on its financial assets or financial liabilities.

With effect from 1 January 2019, the Company has no exposure to fluctuations in interest rates. In 2018, the Company did have exposure and a 50 basis points increase in LIBOR would have resulted in an increase in intercompany interest expense of £59,000.

Investment in subsidiary

The Company monitors the performance of its subsidiary on an ongoing basis having regards to the environment in which it operates and the risk to which it is exposed.

14. Related-party transactions

14.1 Identity of related parties

The Company has related party relationships with its directors (refer page 3) and with other entities in the Eversholt UK Rails Group namely:

- Eversholt UK Rails Limited
- Eversholt UK Rails (Holding) Limited
- Eversholt Investment Limited
- European Rail Finance Limited
- Eversholt Rail Leasing Limited
- Eversholt Rail Holdings (UK) Limited (dissolved on 4 February 2020)
- Eversholt Finance Holdings Limited
- Eversholt Funding plc
- Eversholt Rail Limited
- Eversholt Depot Finance Limited
- Eversholt Rail (365) Limited (prior to 19 August 2019)
- European Rail Finance Holdings Limited

The Company has been informed by the former ultimate parent and controlling party, CK Hutchison Holdings Limited ("CKHH"), incorporated in the Cayman Islands, that by virtue of contractual arrangements entered into with other parties, with effect from 30 December 2019, it ceased to have a controlling interest in the Company and, as required by the applicable accounting standards, it has ceased accounting for the Company as a subsidiary from that date.

The results of the Company before 30 December 2019 are consolidated in the consolidated financial statements of CKHH. The Directors of the Company consider CKHH was the ultimate parent and controlling party prior to 30 December 2019.

In light of the above, the Directors of the Company consider the ultimate parent and controlling party from 30 December 2019 to be UK Rails S.A.R.L. incorporated in Luxembourg.

The parent undertaking of the largest and smallest group of undertakings for which group financial statements are drawn up and of which the Company is a member is Eversholt UK Rails Limited. The immediate parent company is European Rail Finance Holdings Limited.

Copies of the Group financial statements of Eversholt UK Rails Limited may be obtained from the following registered address:

210 Pentonville Road
London
N1 9JY
United Kingdom

Notes to the annual financial statements (continued)

for the financial year ended 31 December 2019

14. Related-party transactions (continued)

14.2 Transactions with related parties

The Company has a loan account with a fellow group undertaking more fully described in note 9.

Interest on this account is more fully described in note 5.

15. Contingent liabilities

There were no contingent liabilities for the Company at 31 December 2019 (2018: £nil).

16. Subsequent events

There are no subsequent events requiring disclosure in these financial statements.
